VISION

A world where innovation in education cultivates a society of scientifically and technologically empowered global citizens.

MISSION

TALCOTT MOUNTAIN ACADEMY strives to be a unique learning community with a robust, integrated curriculum that fosters the intellectual and creative talents of gifted students at a most critical age: a school that ignites a passion for learning and empowers children to invent their future.

STUDENT AWARDS & HONORS

Talcott Mountain Academy students consistently take top awards at the following competitions:

- Connecticut Science Fair
- Connecticut Invention Convention
- Connecticut History Day
- CT Student Writers
- Math Counts
- National Geographic Geography Bee
- FIRST LEGO League
- Trinity College Firefighting Home Robot Competition
